Church Family,

We are continuing to monitor the Covid-19 crisis closely and will comply with the state and local level of the health departments as we prepare to re-open.

As of right now our plan is to open the doors to the Sanctuary and Connection Court on Sunday, July 5th in line with Stage 5 of Indiana's re-opening.

The staff here at MUMC have been working diligently to make the best plan to ensure safe services for everyone.

You can check back on the website and Facebook for weekly updates leading up to the doors opening.

We hope that you will stay engaged over the next few weeks by attending the Drive-In at 8:30am, The Classic at 9:30am on Facebook Live, the radio WMRS 107.7 or right here on the website and finally The Current at 11:00am on Facebook Live or the website.

We can't wait to be back with you in person in just a few weeks.

Praying for you and with you,

The MUMC Staff
